

# SOUTHVILLE GENERATION

## THE RICH FOOL!

### **07.06.20 Session Aim**

To explore the parable of the Rich Fool and the challenge to us, to consider where we place our value.

### **Bible Verses to CHECK OUT!**

Luke 12:16-21, Luke 12:33-34

### **WORSHIP/ REFLECTION:**

**EQUIPMENT:** A chocolate bar/ sweet treat (treasure) of some kind and a sticky note

YouTube song - I am Yours

Whilst the song (found on the Southville website) plays, quiet yourself in front of God and pray about the things that you treasure on earth which distract you from building up treasure in heaven.

When you have identified something in particular (e.g. wanting the newest trainers, being a gossip to look 'cool' or always going out with friends instead of reading the Bible), write it on the sticky note. Pray privately, asking God to forgive you for being distracted or time wasting.

After you have prayed, take the chocolate bar/ treat and as you eat it, agree with God to spend some time this week doing the challenge/ take away activity that has been set out for you (also on the website).

**WHAT'S THE POINT?** To give the young people the opportunity to put storing up treasure in heaven, at the forefront of their experience.
